LR.NO.AE/O&M/ Harur /North /F.Notice for Revision of load/D.NO:223872/DT: 23/11/2025

Dear Sir / Madam,

Sub : TANGEDCO - LT services - Recorded demand (MD) exceeding the sanctioned demand (within 112 KW) – 1 times- Notice intimating to take remedial measures to control the recorded demand within the sanctioned demand -Reg.

It is to inform that, the maximum demand recorded in your LT service connection SC.No:08126003790 name Divya R is 1.26 KW during the 11/2025 bill month as against the sanctioned demand of 1 KW, which exceeds for 1 time/s during past 12 months period (11/2024 to 11/2025) which attracts excess demand charges as per Regulation 5(2) of TNERC Supply Code.

2.0) It is also informed that, as per Regulation 5(2), in case the recorded demand exceeds the sanctioned demand for the third time within a period of 12 months preceding the date of regular assessment of any billing cycle, the same shall be regularized and all relevant charges will be included in the next billing month as specified therein.

Yours faithfully,
Assistant/Junior Engineer,
O & M /Harur /North
